

GOVERNMENT FURNISHED PROPERTY
Energy Sector Planning and Analysis
DE-SO26-08000664

The initial Government Furnished Property list will be developed once the actual office assignments have been finalized, after award. For proposal purposes, each potential offeror should assume that for all the office space identified in the solicitation that the Government will provide standard office type equipment to include:

Computer Workstation
Monitor
Calculator (if required)
Telephone
Furniture

Therefore, for the purposes of the Energy Sector and Planning Analysis solicitation the total equipment list would consist of the above items for the office spaces for 33 FTEs at the NETL Pittsburgh and 18 FTEs at Morgantown sites.
